Bentley Cloud Services Terms of Service
Last Modified: July 9, 2015.

IMPORTANT - READ CAREFULLY: These Terms of Service ("Terms") represent a legal agreement between "you" (either an individual or single organization) and Bentley Systems, Incorporated, including any legal entity controlled by Bentley Systems, Incorporated ("Bentley").

These Terms govern your access to and use of Bentley Cloud Services, and/or Bentley Early Access Cloud Services available via Bentley's Early Access Program ("EAP Cloud Services"), websites and services (collectively the "Services"), so please carefully read them before accessing or using the Services.

YOU AGREE TO BE BOUND BY THESE TERMS BY ACCESSING OR USING THE SERVICES. By accessing or using the Services, you agree that you have read, understand and agree to be bound by these Terms, as amended from time to time, as well as the Bentley Privacy Policy <https://www.bentley.com/en/privacy-policy>, which is hereby incorporated into these Terms. If you are accessing or using the Services on behalf of an organization, you are agreeing to these Terms on behalf of that organization and undertaking that you have the authority to bind that organization to these Terms. YOUR ACCEPTANCE OF ALL OF THESE TERMS IS A CONDITION TO YOUR RIGHT TO ACCESS OR USE THE SERVICES. THESE TERMS REPRESENT THE ENTIRE SET OF TERMS AND CONDITIONS GOVERNING YOUR USE OF THE SERVICES AND SUPERSEDES ALL PRIOR OR CONTEMPORANEOUS ORAL OR WRITTEN COMMUNICATIONS, PROPOSALS AND PRESENTATIONS WITH RESPECT TO THE SERVICES. If these Terms are translated into a language other than English and there is a conflict of terms between the English and the other language,

19. EAP Cloud Services - Consequences of Breach
You acknowledge that, with respect to EAP Cloud Services:

- (a) Irreparable injury and damage to Bentley will result from unauthorized disclosure of the EAP Cloud Services, or Bentley's Confidential and Proprietary Information gleaned by you through use of the EAP Cloud Services, and from uses of the EAP Cloud Services other than as contemplated herein;
- (b) Monetary damages may not be sufficient remedy for unauthorized disclosure of the EAP Cloud Services or Bentley's Confidential and Proprietary Information;
- (c) Bentley shall be entitled, without waiving any additional rights or remedies available to it at law, in equity, or by statute, to such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction; and
- (d) Your breach of this agreement shall result in immediate termination of this agreement and may be cause for exclusion in other Bentley sponsored EAP programs, among other remedies available to Bentley at law.

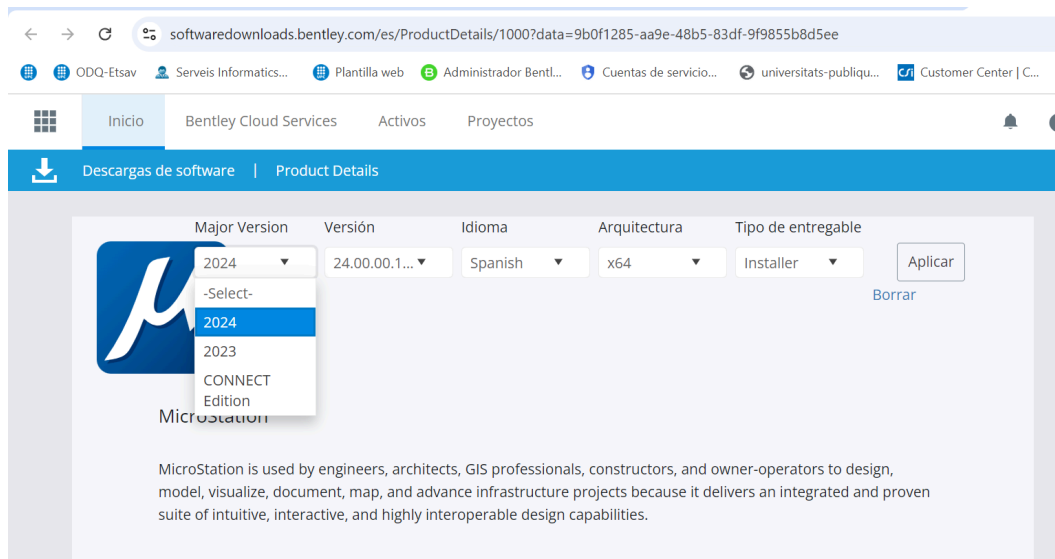

I agree to the Bentley Systems Terms of Service and Privacy Policy I accept

Un cop acceptat, ja tindreu accés a la pàgina de descàrregues del software de Bentley.

7. Seleccionem la versió que volem instal·lar

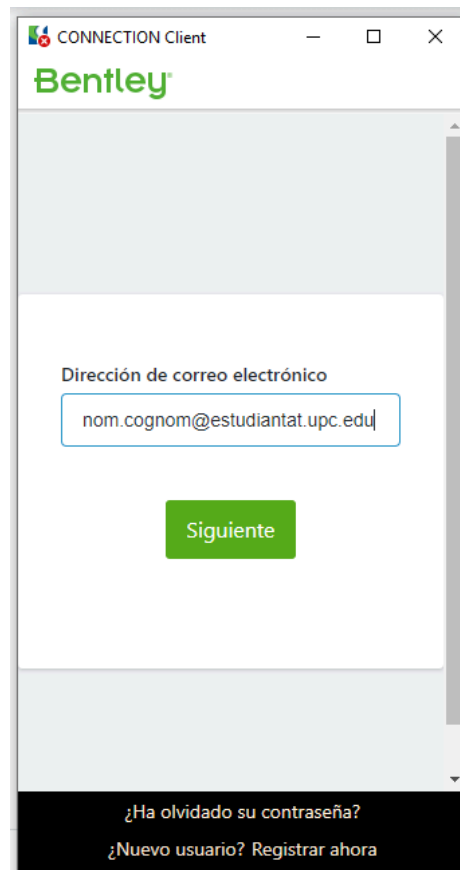

The screenshot shows the Bentley Education website interface. At the top, there is a navigation bar with the Bentley Education logo and links for Software, Students, Educators, and Support. Below this is a dropdown menu labeled "Choose Product Line" with a green checkmark. The main content area is titled "Modeling" with a sub-count of "4". Three product cards are displayed:

- Bentley Descartes:** Includes an accessibility icon, a logo, and a description: "Bentley Descartes is a comprehensive image management environment with document conversion (raster to vector and vector to raster), document cleanup, and advanced texturing tools that extend the MicroStation raster management tools." Below the description is a "DOWNLOAD" button.
- MicroStation:** Includes a logo and a description: "MicroStation is used by engineers, architects, GIS professionals, constructors, and owner-operators to design, model, visualize, document, map, and sustain infrastructure projects because it delivers an integrated and proven suite of intuitive, interactive, and highly interoperable design capabilities." Below the description is a "DOWNLOAD" button, which is circled in red in the original image.
- OpenCities Map Ultin:** Includes a logo and a description: "OpenCities Map Ultimate is designed for us need to create, edit, manage, and analyze 2I spatial information as well as execute adva image management routines and/or long transactions with a two-tier connection to O Spatial. Custom applications can be develo the OpenCities Map API." Below the description is a "DOWNLOAD" button.

8. Ens **descarreguem l'instal·lador** que vulguem al nostre equip i seguim les instruccions d'instrucció (tot per defecte).

9. Un cop ja està instal·lat, només falta **iniciar sessió al Connection Client** (que normalment s'obre automàticament al iniciar Microstation), amb l'usuari i contrasenya que hem generat al principi i ja podem fer servir el Microstation.

Recordeu que heu de tenir connexió a Internet i SEMPRE estar validats al Connection Cient per poder utilitzar-lo.

En cas, que tingueu algun problema amb algun dels passos podeu contactar directament amb Bentley a través del correu electrònic education.escalations@bentley.com.
